

How to Signup, Add Products, and Checkout on a Website

- 1 Navigate to localhost:3000/signup

- 2 Click the "Phone Number" field.

The image shows a "Sign Up" form. At the top center is the text "Sign Up". Below it is a "Phone Number" input field containing the text "+8801821919473". A red circle highlights the right edge of this input field. Below the phone number field is a "Password" input field showing six dots. At the bottom is a large blue "Sign Up" button. Below the button, the text "Already Registered? [Sign in](#)" is displayed.

- 3 Click the "Phone Number" field.

Header Title

24 Click the "Phone Number" field.

The image shows a 'Sign In' page. At the top center is the text 'Sign In'. Below it is a 'Phone Number' input field containing '+8801821919499'. This input field is highlighted with a red oval circle. Below the phone number field is a 'Password' input field containing '.....'. At the bottom is a blue 'Sign In' button with white text. Below the sign-in button is a 'Sign Up' link.

25 Click "Sign In"

The image shows the same 'Sign In' page as the previous step. The 'Phone Number' field now contains '+8801821919473'. The 'Password' field still contains '.....'. The 'Sign In' button at the bottom is highlighted with a red oval circle. The 'Sign Up' link is also present below the button.

26 Click "Admin"

27 Click "Product 1"

A screenshot of a product management application. At the top, there is a green bar with the text "13\$" and a yellow bar with the text "13\$". On the left, there is a sidebar with dropdown menus for "Role", "Category", "Status", and "Admin". The main area is titled "Product List" and contains a table with the following data:

ID	Name	Image	Price	Color
1	Product 1		\$35	Black
2	Product 2		\$350	Black
3	Product 3		\$445	Black
4	Product 4		\$2555	Black

Add Product

28 Click here.

The screenshot shows a product listing interface. On the left, there is a large image of a black t-shirt with a price tag of \$35 below it. To the right of the image is a "Product Description" section containing placeholder text: "Lorem ipsum dolor sit amet, consectetur adipiscing elit. Praesent at augue luctus." Above the product table is a yellow header bar with the text "13\$". The table has columns for Name, Image, Price, and Color. The first row, labeled "Product 1", is highlighted with an orange circle around its name. The data in the table is as follows:

Name	Image	Price	Color
Product 1		\$35	Black
Product 2		\$350	Black
Product 3		\$445	Black
Product 4		\$3555	Black

29 Click "Mozammal"

The screenshot shows an "Order List" page. At the top, there is a search bar and a blue button labeled "Add Customer or Admin". Below the search bar is a table with columns for phone number, name, and address. The data in the table is as follows:

Phone Number	Name	Address
+8801821919474	Mozammal	Akhalia
+8801821919472	abc	sgspkg'spg[psdkg
+8801821919472	abc	Akhalia
+8801821919472		
+8801814484488	Joy Dip	Sust Gate , Sylhet
+8801821919499	Mozammal	76/a Shyamoli

A circular profile picture is visible on the left side of the screen.

30 Click here.

		Price

33 Click the "Customer Phone" field.

The screenshot shows a mobile application interface. At the top, there is a list of users:

+8801821919412	user
+8801814484488	user
01814484466	admin
+8801821919499	user

Below the list is a form to add a new customer or admin:

Add Customer or Admin

+8801821919473
.....	User

Add Customer or Admin

At the bottom left, there is a circular icon with a red dot and the text "Order List".

34 Type " BACKSPACE"

35 Click "Add Customer or Admin"

The screenshot shows a mobile application interface. At the top, there is a list of contacts with their phone numbers and user types (admin or user). Below this is an 'Add Customer or Admin' form. The 'Customer Phone' field contains a redacted phone number (.....). The 'User' dropdown is set to 'User'. A large orange circle highlights the 'Add Customer or Admin' button at the bottom of the form.

+8801821919489	admin
+8801821919412	user
+8801814484488	user
01814484466	admin
+8801821919499	user

Add Customer or Admin

Customer Phone: User: User

Add Customer or Admin

36 Click the "Customer Phone" field.

The screenshot shows a user interface for managing customers. At the top, there is a table listing four entries:

Customer Phone	User Type
+8801821919412	user
+8801814484488	user
01814484466	admin
+8801821919499	user

Below the table is a form titled "Add Customer or Admin". It contains two input fields: "Customer Phone" and "Password", and a dropdown menu set to "User". A large orange circle highlights the "Customer Phone" input field. Below the form is a blue button labeled "Add Customer or Admin".

37 Type "+8801533107233"

- 38** Click the "Password" field.

The screenshot shows a user interface for managing customer and admin accounts. At the top, there is a list of existing users with their phone numbers and roles:

+8801821919412	user
+8801814484488	user
01814484466	admin
+8801821919499	user

Below this is a section titled "Add Customer or Admin" containing the following fields:

- Phone number input field: +8801533107233
- Password input field: (highlighted with an orange circle)
- User role dropdown: User (highlighted with an orange circle)
- Blue "Add Customer or Admin" button

A circular callout points to the password field. A blue circular icon with a white dot is located on the left side of the screen.

- 39** Click this dropdown.

This screenshot shows the same application interface as the previous one, but with a different focus. The "User" dropdown in the "Add Customer or Admin" form is highlighted with an orange circle. The rest of the interface, including the user list and the "Add Customer or Admin" button, appears identical to the first screenshot.

40 Click "Add Customer or Admin"

The screenshot shows a mobile application interface. At the top, there is a list of users with their phone numbers and roles:

User ID	Phone Number	Role
1	+8801821919412	user
2	+8801814484488	user
3	01814484466	admin
4	+8801821919499	user

Below this is a form titled "Add Customer or Admin" with fields for "Phone Number" (containing "+8801533107233") and "Role" (set to "Admin"). A blue button labeled "Add Customer or Admin" is at the bottom of the form. The entire screen has a light gray background.

41 Click here.

The screenshot shows a mobile application interface. On the left, there is a list of users with their phone numbers and roles:

User ID	Phone Number	Role
1	83040	admin
2	19489	admin
3	19412	user
4	84488	user
5	1466	admin
6	19499	user

On the right, there is a "Product List" table:

ID	Product Name
5	Product 5
6	Product 6
7	Product 7
8	Product 8

Below the lists is a form titled "Add Product" with fields for "Product Name" (empty), "Price" (empty), and "Color" (empty). There are also two small input fields above the "Add Product" form. A vertical scroll bar is visible between the user list and the product list.

42 Click "admin"

The screenshot shows a list of contacts on the left and an 'Add Product' form on the right.

Contact List:

44 Click "Add Customer or Admin"

The screenshot shows a user management interface on the left and a product management interface on the right. On the left, there is a table with columns for ID and status. The status column contains 'user', 'user', 'admin', 'user', and 'admin'. Below the table is a dropdown menu set to 'Admin'. At the bottom is a blue button labeled 'Add Customer or Admin'. On the right, there is a table with columns for ID, name, and type. The first row has ID 6, name 'Product', and type 'T-Shirts'. The second row has ID 7, name 'Product', and type 'T-Shirts'. The third row has ID 8, name 'Product', and type 'T-Shirts'. Below these is a form titled 'Add Product' with fields for 'Product Name' and 'Price', and a blue 'Add Product' button.

45 Click the "Product Name" field.

The screenshot shows a product management interface. On the left, there is a table with columns for status and ID. The status column contains 'user', 'admin', 'user', and 'admin'. Below the table is a dropdown menu set to 'Admin'. At the bottom is a blue button labeled 'Add Product'. On the right, there is a table with columns for ID, name, and type. The first row has ID 1687294174204, name 'Cycle', and type 'T-Shirts'. The second row has ID 1687294285401, name 'Cycle 2', and type 'T-Shirts'. The third row has ID 1687374254572, name 'T-Shirt', and type 'T-Shirts'. Below these is a form titled 'Add Product' with fields for 'Product Name' (which is highlighted with an orange circle), 'Price', 'Color', and a 'Choose File' button with the message 'No file chosen'. At the bottom is a blue 'Add Product' button.

46 Click the "Image URL" field.

The screenshot shows a list of products on the left and an 'Add Product' form on the right. The list includes:

ID	Type	Image	Price	Color
1687294174204	Cycle		10\$	white
1687294285401	Cycle 2		101\$	white
1687374254572	T-Shirt		60\$	Black

The 'Add Product' form has the following fields:

- T-Shirt (text input)
- Choose File (button) - highlighted with an orange circle
- No file chosen (text)
- Price (text input)
- Color (text input)
- Add Product (button)

47 Click the "Price" field.

The screenshot shows a user dropdown on the left and an 'Add Product' form on the right. The user dropdown shows:

- user
- admin
- user
- admin

The 'Add Product' form has the following fields:

- T-Shirt (text input)
- Choose File (button)
- Price (text input) - highlighted with an orange circle
- Color (text input)
- Add Product (button)

48 Click "Add Product"

The screenshot shows a list of products on the left and an 'Add Product' form on the right.

List of Products:

ID	Type	Image	Price	Color
1687294174204	Cycle		10\$	white
1687294285401	Cycle 2		101\$	white
1687374254572	T-Shirt		60\$	Black

Add Product Form:

Product Details:

- T-Shirt
